Docket No.: N883B

TECH CENTER 2800

Title: POWER GENERATION WITHIN A MOTIONLESS ELECTROMAGNETIC GENERATOR

Commissioner of Patents & Trademarks
Washington, D.C. 20231

AMENDMENT

This is in response to the Office Action dated January 23, 2004. A petition to extend the time for a period of one month from April 23, 2004 to May 23, 2004 is being forwarded herewith.

Since only a single word needs to be changed in the claims, it is requested, for the sake of expediency, that this change be made by Examiner's amendment.

A declaration of Thomas E. Bearden is included herein.

A terminal disclaimer to overcome the double patenting rejection is being prepared and will be forwarded under separate cover.

In the event that the examiner persists in the rejection it is requested that the examiner either supply references to support his position or that he submit an affidavit doing the same.

I hereby certify that this correspondence is being deposited with the United Postal Service as first class mail in an envelope addressed to: Commissioner of Patents and Trademark: Washington, D.C. 20231, on May 20, 2004
